

## Visitor/Volunteer Screening Form 2017-2018

In compliance with the Michigan Department of Human Services and the laws enacted to safeguard our children, all volunteers, before working with our students, must complete the following information and understand that the school district is required to run a background check for felonies related to the abuse of children. That information is maintained in the Office of the Superintendent and your privacy is protected.

Please fill out this form if you are planning on assisting and/or visiting your child's classroom, volunteering at classroom parties, going on field trips, or volunteering in other areas. We do need and appreciate your support and assistance. We are also committed to providing the students of our schools with the safest possible environment to learn and grow in.

Thank you for your continued support and cooperation.
